

We the students of

.....  
pledge to do our part to keep greasy  
clogs out of our pipes and keep local  
streams clean and pollution free.  
Grease, fat and oil from cooking are  
bad for our pipes and bad for the  
environment. We pledge to pour  
leftover kitchen grease, fat and oil  
into a jar or can and toss it into  
the trash.

Great Schools,  
Clean Streams  
2019
