

We the students of
pledge to do our part to keep greasy clogs out of our pipes and
keep local streams clean and pollution free. Grease, fat and oil
from cooking are bad for our pipes and bad for the environment.
We pledge to pour leftover kitchen grease, fat and oil into a jar
or can and toss it into the trash.

Great Schools Clean Streams 2021

Please send a picture of the signed poster to greatschoolsleanstreams@gmail.com before midnight
on Friday, April 30th to earn 50 pledges for your school. Learn more and take the pledge at
www.GreatSchoolsCleanStreams.org Today!
